

George's Best Move

November 30, 2015

Recently, George Best fans at Old Trafford paid tribute to the football legend on the 10th anniversary of his death. It is well known that Best, one of United's greatest ever players, died after a long battle with alcoholism.

Less well known is the report that about three weeks before his death George accepted the Lord Jesus Christ as his Saviour, making without doubt the best move of his life (1).

Today Manchester United supporters are chanting out a new song in homage to George Best. The first two lines of the lyrics are:-

Going on up to the spirit in the sky

It's where I'm gonna go when I die.

When a person dies, the Bible teaches one will stand before the LORD and He will essentially say to each individual either, "well done thou good and faithful servant" or "depart from Me I never knew you." There will be no singing on that day, no gospel message and no altar call ... just the judgment. The Bible says, "*whosoever shall call upon the name of the LORD shall be saved.*" Do it now in sincerity, go on with the LORD and you will be able to sing with confidence the original lyrics:-

When I die and they lay me to rest

Gonna go to the place that's the best.
