

when I was going through the accident and to repay him I gave him my life. I have always loved Jesus and always felt his presence. While I was growing up I witnessed miracles and answers to prayers. When I was 12 years old I was baptized in water. This was entirely my choice and I have never regretted it since.

In 2006, an evangelist came round to our house to pray for us. He told me things that I had never told anyone and that God had told him. I was baptized in the Holy Spirit and the healing anointing came upon me. Ever since that day I have witnessed Jesus heal people through prayer and I have witnessed baptisms in the Spirit also through prayer. My father was healed of a back problem not so long ago. A whole family were baptized in the Spirit that God told me to go and visit.

My brother had a lump on his ear. I anointed it with oil and prayed over it calling on the blood of Christ. The lump, there and then, started to go down. After 2 days it had completely gone!

At church I was called to pray for a girl who had neck problems. I rebuked the neck problem in Jesus name and it had completely gone after the prayer. She could move her neck left, right and move her shoulders without any pain! *Praise The Lord!* These are only some of the things

A little funny story to go along with this for you.

My mum told me to pray for the dog to save money from vet bills. The dog was suffering from a very, very bad blister. I had never really thought about praying for an animal, but hey, it was worth a try. I anointed the blister with oil and prayed over it for 10 minutes. I looked down and 3 holes had appeared in the wound! the wound was weeping and the dog took care of it from there on! Absolutely amazing! I think my mum was more pleased that God has spared us a couple of hundred pounds!

This actually taught me that if we enter Gods throne with expectancy and faith for a few minutes! Everything else follows

I hope this is some help and I pray for you all on the streets spreading the good news!

Jesus has done. I am merely a vessel and watch the miracles that Jesus does! I am continuing in my ministry in healing and God is giving me prophetic words for the church. When I minister to people I minister in a spirit filled way. I wait upon the Lord to give me words of knowledge and wisdom. God has brought me along way since I was 8 years of age and I believe the journey has only just begun.

Thank God for healing and his blood that brings us to that special place where we can meet Jesus face to face!

Been a Christian is the best way but may I warn the hardest! but it IS the best!

In Jesus name,
Amen!

A SINNER' S PRAYER TO RECEIVE JESUS CHRIST AS LORD AND SAVIOUR

Heavenly Father I come to you now. Lord, I am a sinner. I have sinned against you, even this day, but Lord, I come and ask you in the name of Jesus that you will forgive me for all my sins, that you will wash me in the blood of Jesus and I shall be cleansed from all sin. I thank you now for saving me. Come into my heart and into my life and Lord, lead me by your Spirit and help me to live for you from this day forth. I thank you now in Jesus' name, Amen.

To continue as a true believer you must follow the Lord Jesus Christ. This involves regularly:

1. Reading the Bible;
2. Praying to God in Jesus' name;
3. Fellowshiping with other born-again believers.

My Story ... Tom Moxon

Ever since I was saved from death and was given the gift of salvation through our Lord Jesus Christ, I have always known that God is there in every situation I stand in and that God has a particular calling on my life as he does on yours!

When I was 2 years of age I experienced a tragic accident. I fell out of my house window 20 foot, onto concrete. How I fell is still a mystery but all I remember is opening the window and falling. I was rushed to hospital where I stopped breathing for 2 minutes. My mother and father and the church were praying and bringing the situation before the throne of God. That night after I had recovered from loss of breathing, my mum prayed that if God was going to take me, then to take me and help her get through it. But if he was going to leave me alive then to heal me from any injuries and to use me. After that prayer she felt very strongly that something had changed! In the morning I was up eating a small amount of breakfast and I made a fast recovery. After around a month or so I had fully recovered and no traces of my accident had been left.

I gave my life to the Lord at the age of 8. I
believed that God gave me my life back
